5. Party Leader's Statement

I appreciate the provision of the political party fund in our constitution to enable political parties to develop good democracy, because good democracy leads to good economy, and bad democracy leads to bad economy. The PPF has been a key pillar to this realization, although as Justice and Freedom Party, the least funded of all the political parties, we have managed to utilize the fund to organize party NDC, to organize party popularization campaigns in various counties, and with key stakeholders, the party has managed to launch the JFPK Nationals Persons With Disability League which saw us awarded by Westminster Foundation as the party with the best Persons With Disability Inclusive program. In the overall ranking of the Persons With Disability programmes, we came 3rd, after Orange Democratic Movement, overall winner, and United Democratic Alliance, 2nd winner. We are elated that with more provision we can equip and nurture Kenyans to fully be effective nationally and globally in matters of political democracy.

The key challenges have been the late disbursement of Political Parties Funds and the perennial review and slashing of the budgetary allocation by the government, which has seen us receiving less than 50% of the gazetted allocation. This is a major affront to the constitutional provision of the Political Parties Act which states that the Political Parties Funds shall be 0.3% of the national revenue.

In conclusion, I would like to appreciate all stakeholders including the Registrar of Political Parties and the government of Kenya as we look forward to them enforcing the full constitutional provision for the Political Parties Fund. And finally, I thank all the JFPK officials who have relentlessly and tirelessly upheld the party vision, party mission and party goals.

6. Report of the Secretary General

I support our party leader's sentiment concerning the role the Political Party Fund plays in enabling us as an emerging party to contribute to the establishing of the Kenyan citizens and Kenya as a whole. Our constitution recognizes the right and freedom for all citizens to engage in the politics and development of our great and very varied nation, and the constitutional provision of national funds to all political parties, equally, protects and enables this.

As such I wish to thank all the stakeholders, my fellow dedicated JFPK officials, the ORPP, our fellow political parties, and the sovereign citizens of Kenya, in our collective effort towards building a united, prosperous and socially and politically progressive nation.

7. Statement of Performance against Predetermined Objectives for FY 2022/2023

JFPK has 2 main strategic pillars and objectives within the current Party Ideology and Strategic Plan for the FY 2022/2023. These strategic pillars/ themes/ issues are as follows:

Pillar 1: Education

Pillar 2: Governance

JFPK develops its annual work plans based on the above 2 Pillars. Assessment of the party's performance against its annual work plan is done on a quarterly basis. JFPK achieved its performance targets set for the FY 2022/2023 period for its 7 strategic pillars, as indicated in the table below:

Strategic Pillar/Theme/Issues	Objective	Key Performance Indicators	Activities	Achievements
Pillar 1: Education	To foster the emergence of a relevant education system of knowledge dissemination at all levels based on truth principles and historical contexts of our African identity.	- Curriculum Development - Conferences and Training	- Curriculum Development - Conferences and trainings	- We have developed a modernize curriculum. - Developed a Strategic plan for education
Pillar 2: Governance	To share the JFPK vision and focus to raise-up a sanctified nation to The Almighty One, in order to stop the cause of all plagues and pestilence that have befallen us	- Restoring moral stock in leadership - People Centred Governance	- Public forums, engagement - Press conferences and debates - Townhall engagements	- Membership recruitment - Increased number of Aspirants - Shaping the Kenya's Democractic landscape

8. Party Governance Statement

Due to limited resources, the party held various virtual meetings based on the electoral timelines and circumstantial demands which addressed various roles and functions, trainings including Strategic Plan development and review of the JFPK constitution as per the constitutional requirements, which is still ongoing.

9. Management Discussion and Analysis

As per the JFPK vision, mission, goals and objectives, we've outlined various compliance requirements, financial obligations, economic reviews and future development and information pertaining to the JFPK Strategic Plan.

10. Report of the National Executive Committee

The National Executive Committee submits their report together with the audited financial statements for the year ended June 30, 2024, which show the state of JFPK's affairs.

i) Principal activities

The principal activity of JFPK is the Restoration of justice in the land to establish a prosperous, industrialized and modern nation, in which all citizens enjoy equal social, economic and democratic rights, and live in unity.

11. Statement of the National Executive Committee Responsibilities

Section 81 of the Public Finance Management Act, 2012 and section 38 of the Political Parties Act, 2011, requires the National Executive Committee to prepare financial statements in respect of JFPK, which give a true and fair view of the state of affairs of JFPK at the end of the financial year 2023/2024 and the operating results of JFPK for that year 2023/2024. The National Executive Committee is also required to ensure that JFPK keeps proper accounting records which disclose with reasonable accuracy the financial position of JFPK. The National Executive Committee is also responsible for safeguarding the assets of JFPK.

The National Executive Committee is responsible for the preparation and presentation of JFPK's financial statements, which give a true and fair view of the state of affairs of JFPK for and as at the end of the financial year ended on June 30, 2024. This responsibility includes: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of JFPK; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of JFPK; (v) Selecting and applying appropriate accounting policies; and (vi) Making accounting estimates that are reasonable in the circumstances.

The National Executive Committee accepts responsibility for JFPK's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Political Parties Act, 2011. The National Executive Committee is of the opinion that JFPK's financial statements give a true and fair view of the state of JFPK's transactions during the financial year ended June 30, 2023, and of JFPK's financial position as at 30th June 2024. The National Executive Committee further confirms the completeness of the accounting records maintained JFPK, which have been relied upon in the preparation of JFPK's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the National Executive Committee has assessed JFPK's ability to continue as a going concern.

JUSTICE AND FREEDOM PARTY OF KENYA
Annual Report and Financial Statements for the year ended June 30, 2024.

Nothing has come to the attention of the National Executive Committee to indicate that JFPK will not remain a going concern for at least the next twelve months from the date of this statement.

Budget notes

18. Notes to the Financial Statements

1. General Information

Justice and Freedom Party of Kenya is established by and derives its authority and accountability from the Political Party Act, 2011. JFPK's principal activity is to be a conduit to equip, nurture and protect social and democratic society for edifying of the citizen to unity till we be complete and effective globally

2. Statement of Compliance and Basis of Preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying JFPK's accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note 5 of these financial statements.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of JFPK. The financial statements have been prepared in accordance with the PFM Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

3. Adoption of New and Revised Standards

- i. *New and amended standards and interpretations in issue effective in the year ended 30 June 2024.*

JUSTICE AND FREEDOM PARTY OF KENYA**Annual Report and Financial Statements for the year ended June 30, 2024.**

Standard	Effective date and impact:
IPSAS 41: Financial Instruments	Applicable: 1st January 2023: The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an JFPK's future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by: • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held; • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and • Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an JFPK's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy. The above improvements did not have an impact in JFPK's financial statements in the period ended 30 th June, 2024.
IPSAS 42: Social Benefits	Applicable: 1st January 2023 The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting JFPK provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess:

JUSTICE AND FREEDOM PARTY OF KENYA

Annual Report and Financial Statements for the year ended June 30, 2024.

Standard	Effective date and impact:
	(a) The nature of such social benefits provided by the JFPK. (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the JFPK's financial performance, financial position and cash flows. The above improvements did not have an impact in JFPK's financial statements in the period ended 30th June, 2024.
Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments	Applicable: 1st January 2023: a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guaranteed contracts which were inadvertently omitted when IPSAS 41 was issued. d) Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued. The above improvements did not have an impact in JFPK's financial statements in the period ended 30th June, 2024.
Other improvements to IPSAS	Applicable 1st January 2023 • <i>IPSAS 22 Disclosure of Financial Information about the General Government Sector.</i> Amendments to refer to the latest System of National Accounts (SNA 2008). • <i>IPSAS 39: Employee Benefits.</i> Now deletes the term composite social security benefits as it is no longer defined in IPSAS. • IPSAS 29: Financial instruments: Recognition and Measurement. Standard no longer included in the 2023

JUSTICE AND FREEDOM PARTY OF KENYA**Annual Report and Financial Statements for the year ended June 30, 2024.**

Standard	Effective date and impact:
	IPSAS handbook as it is now superseded by IPSAS 41 which is applicable from 1st January 2023. The above improvements did not have an impact in JFPK's financial statements in the period ended 30th June, 2024.

ii. *New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024.*

Standard	Effective date and impact:
IPSAS 43	<i>Applicable 1st January 2025</i> The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an JFPK. The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities. The above improvements did not have an impact in JFPK's financial statements in the period ended 30th June, 2024.
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	<i>Applicable 1st January 2025</i> The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and: Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance. The above improvements did not have an impact in JFPK's financial statements in the period ended 30th June, 2024.

iii. *Early adoption of standards*

JUSTICE AND FREEDOM PARTY OF KENYA

Annual Report and Financial Statements for the year ended June 30, 2024.

JFPK did not early – adopt any new or amended standards in the financial.

4. Summary of Significant Accounting Policies

a) Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to JFPK and can be measured reliably. To the extent that there is a related condition attached that would give rise to a liability to repay the amount, the amount is recorded in the statement of financial position and realised in the statement of financial performance over the useful life of the assets that has been acquired using such funds.

b) Changes in accounting policies and estimates

JFPK recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

c) Related parties

JFPK regards a related party as a person or a party with the ability to exert control individually or jointly, or to exercise significant influence over JFPK, or vice versa. Members of key management are regarded as related parties and comprise the National Executive Committee.

d) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank. Bank account balances include amounts held at the Kenya Commercial Bank as at the end of the financial year.

e) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

f) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2024.

5. Significant Judgments and Sources of Estimation Uncertainty

The preparation of JFPK's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods. State all judgements, estimates and assumptions made:

Estimates and assumptions.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. JFPK based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of JFPK. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual value

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- a) The condition of the asset based on the assessment of experts employed by JFPK.
- b) The nature of the asset, its susceptibility and adaptability to changes in technology and processes.
- c) The nature of the processes in which the asset is deployed.
- d) Availability of funding to replace the asset.
- e) Changes in the market in relation to the asset.
